

EXCELTA®
SINCE 1957

NEW! ★★ SKU: 348
self-opening ergonomic blunt tip safety scissor

Made in the USA

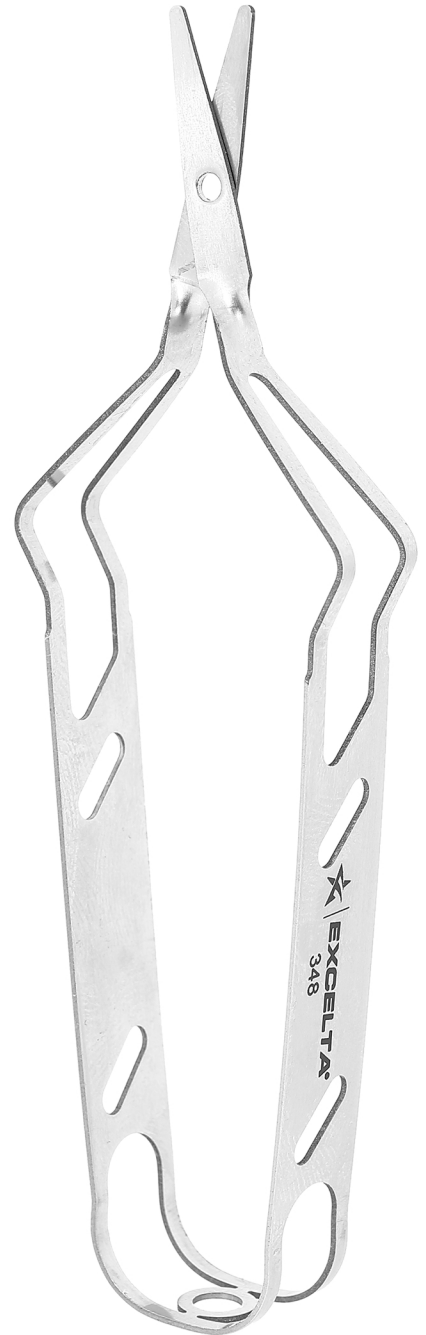

- 301 $\frac{3}{4}$ hard, high wear resistant, Stainless Steel
- Good corrosion and oxidation resistance
- Extremely light weight 0.027lbs
- Blunt tips prevents accidental cutting

Sleek design offers user a comfortable grip and smooth cutting.

Handle design allows the user maximum grip while still being able to maneuver in tight spaces.

Single band design is autoclavable.

Lightweight design is complimented by its smooth cutting motion assisted by the self-opening feature.
