Subject: Authorization for Stocking Distribution for DigiKey

Triplett Test Equipment & Tools hereby authorizes DigiKey to act as our official stocking distributor for the products manufactured by our company.

This authorization empowers Digi-Key to procure, store, distribute, and sell our products globally. They are authorized representatives of our brand and are entrusted to conduct all necessary transactions associated with the distribution of our products.

This authorization is effective immediately and will remain valid until formally revoked in writing by Triplett.

Thank you for your attention to this matter.

Sincerely,

Arpineh Mullaney
CEO
